## **Introduction**

### **Mission Statement**

The Columbia College Police Department ensures the safety and security of the Columbia College campus and surrounding community. It assists other federal, state, county and local law enforcement, and other agencies as required and appropriate. Columbia College Police provide fair and equitable treatment to all persons regardless of race, gender, ethnicity, or religion, and enforce federal, state, and local laws with impartiality and integrity.

### **Campus Crime Report**

In 1990, Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101–542), which amended the Higher Education Act of 1965 (HEA). This act requires all post-secondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998 and 2000. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her residence hall room in 1986.

The information in this publication follows requirements set forth under the Crime Awareness and Campus Security Act of 1990. This report is updated on an annual basis and is disseminated to all College students and employees. Upon request, this report will also be provided to any applicant for enrollment or employment.

### **Columbia College Police Department Overview**

The Columbia College Police Department is a fully functional police agency. We have complete police authority to apprehend and arrest anyone involved in illegal acts on-campus and areas immediately adjacent and contiguous to the campus. If minor offenses involving Columbia College policies and regulations are committed by a Columbia College student, our department may also refer the individual to disciplinary action through the Columbia College judicial process. All criminal offenses occurring on-campus or on Columbia College property should be reported to The Columbia College Police Department immediately. The department operates twenty-four hours a day, seven days a week. Officers conduct Vehicle, Out of Vehicle and Mountain bike patrols on campus and in the neighborhood contiguous to campus.

### **Status of Campus Security**

The Columbia College Police Department places a high priority on the personal safety of its students, faculty, staff, and visitors. Historically, Columbia College has been efficient in fostering a safe campus environment for many students from not only across the country, but from all over the world. However, since it is impossible to prevent all crime, we wish to remind

people that they must also take responsibility for their own personal safety. To that end, we offer several “Security Awareness and Crime Prevention Programs.”

### **Security Awareness and Crime Prevention Programs**

The Columbia College Police Department provides the following services and programs to improve safety on campus and to educate the community about security issues:

- 1) Escort Services - Our Department provides an escort service for people walking to and from residence halls or class to parking lots or College-owned property. The Columbia College Police Department also provides courtesy transport for students to specific businesses along the North Main corridor for medical, pharmaceutical and/or other emergent needs. These businesses are CVS/Pharmacy, Shell Gas Station, and Food Lion. When walking, students, staff, and faculty are encouraged to walk with others when possible.
- 2) New Student Orientation - Crime prevention information is provided, and questions are answered during new student orientation meetings. SAFE (Secure Alert Fight Evacuate) is also presented to students during this time. This is the acronym that describes the College’s approach to events such as an active shooter.
- 3) Residence Hall Security - All residence halls always remain locked and can be accessed by a Columbia College Police Department issued ID card only.
- 4) Emergency Code Blues - There are several Code Blues located throughout the campus. The Code Blues are in parking lot A, parking lot E, parking lot I, between Wesley and Hudson Hall, and on the Green beside the Library. A Code Blue is also located at the front door of the office of the Department of Campus Safety. The Department of Campus Safety also coordinates with outdoor vendors to maintain the Code Blues and to fix any maintenance problems as soon as possible.
- 5) Community Notification of Criminal Activity - Our Department will notify the campus community of ongoing security concerns by campus email and our RAVE emergency alert notification system. Faculty, students, and staff can opt in to receive a text in addition to email notifications. If circumstances warrant, specially printed crime alerts will be prepared and distributed campus wide. In addition, if imminent danger exists, messages will be sent out via email, text and over our emergency notification loudspeaker system. This loudspeaker system can also be used to notify the campus community of impending dangerous weather.
- 6) Training with On Call Staff – Our Department participates annually with the Division of Student Affairs in crisis training. The department also partners with the Residence Life & Housing staff with their Behind Closed Doors and Fire Safety training. This training helps introduce new and returning resident assistants (RAs) to certain crisis they may encounter in their residence halls and on campus and teaches them how to correctly handle the crisis situations as it relates to their Departments and Columbia College’s policies and procedures.

7) Self-defense training is available. Please contact the Director of Public Safety for information on this training.

8) SAFE (Secure Alert Fight Escape) critical incident training.

### **How to Report a Crime or Emergency**

To report a crime, please call the Department of Campus Safety at (803)786-3343 (non-emergencies) or (803)786-3333 (emergencies). You may also contact us by using one of the Code Blues located in parking lot A, parking lot E, the front door of our department (4825 Burke St, Columbia, SC), between Wesley and Hudson Residence Halls, or on the Green beside the Library. Any suspicious activity or people you observe around residence halls, parking lots, or around other campus buildings should be reported. Crime reports can be made at any time. A copy of the crime report (if necessary) is available free of charge at our department located at 4825 Burke Ave. Columbia, SC 29203.

The prosecution of all criminal offenses, both felony and misdemeanor, is conducted at either Magistrate or General Sessions Court of Richland County, South Carolina. The Department has a Memorandum of Understanding with the Columbia City Police Department and the Richland County Sheriff's Department. The Department's personnel work closely with local, state, and federal police agencies and have direct radio communication with the Richland County Sheriff's Department, as well as many other state and local agencies.

### **Access to Campus Facilities**

Academic buildings and administrative offices are open during normal business hours according to the building unlocking schedule determined by the College's administration. Residence halls are controlled by ID card access 24 hours a day, 7 days a week. Access to buildings after hours may be granted to students, faculty, and staff of Columbia College if deemed appropriate and necessary by The Department of Campus Safety.

### **Maintenance of Campus Facilities**

The Department of Campus Safety offers, as part of their general patrol procedure, complete work orders to the Sodexo Facilities Management Department when any defective lighting or unsafe condition on campus is noted. Students, faculty, and staff are encouraged to report any safety or security concerns directly to the Sodexo Facilities Management at (803)786-3770 or the Department at (803)786-3333. Facilities Management responds to work orders daily to repair locks, windows, and lighting.

## **Missing Student Policy**

If a member of the College Community has reason to believe that a student is missing, they should immediately notify The Department of Campus Safety at (803)786-3333. All efforts will be made to locate the student to determine their state of health and well-being through collaboration with the Division of Student Affairs, the Registrar's Office, and other offices as appropriate. Concurrently, College officials will endeavor to determine the student's whereabouts through contact with friends, associates, and/or employers of the student. If not located within 24 hours of receiving the initial report, notification of the missing student's biological and physical information will also be provided to other law enforcement agencies to help locate the student. In accordance with the College's Missing Student Procedure and Notification Policy, each student is required to identify the specific person whom the College should contact within 24 hours of determining that the student is missing. For students under the age of 18, the contact person must be the custodial parent. This information will be requested annually.

## **Columbia College Sexual Misconduct Policy**

### **Introduction**

Columbia College is a learning environment fostering common standards of conduct and a commitment to its institutional mission. Sexual Misconduct, including Sexual and Gender-Based Harassment, Sexual Assault, Relationship Violence, and Sexual Exploitation is prohibited by Title IX. In addition to being a violation of federal and state law, Sexual Misconduct interferes with the mission of Columbia College by endangering the physical, mental, and emotional safety of community members, disrupting the academic progress of survivors as they recover, and flagrantly violating the community of trust. The Board of Trustees, faculty, staff, and students who comprise the Columbia College community will not tolerate Sexual Misconduct. Columbia College prohibits all forms of Sexual Misconduct, including but not limited to Sexual and Gender-Based Harassment, Sexual Assault, Stalking and Relationship Violence, whether perpetrated by a stranger or acquaintance, whether occurring on or off campus, and whether directed against a member of the Columbia College community or someone outside the Columbia College community ("Prohibited Conduct").

College students are especially vulnerable to Sexual Misconduct. Unfortunately, acts of Sexual Misconduct are vastly underreported. Sexual Misconduct can occur in any relationship regardless of gender. Survivors can suffer profound and long-lasting changes in their lives that affect them socially, academically, and developmentally, including post-traumatic stress disorder, abuse of alcohol and drugs, and contemplated suicide.<sup>1</sup> Quick access to services can reduce the long-term impact of sexual trauma. If you are a survivor of Sexual Misconduct, no matter when the Sexual Misconduct occurred, please reach out to the resources provided at Columbia College or the additional resources noted in this policy so you can get the support you deserve.

All members of the Columbia College community play a role in building a safe and just educational environment by:

- Modeling healthy and respectful behavior in personal and professional relationships.
- Increasing personal awareness of what constitutes Sexual Misconduct;
- Speaking out against behavior that encourages Sexual Misconduct or discourages reporting.
- Developing the necessary skills to be an effective and supportive ally to survivors of Sexual Misconduct;
- Intervening in situations that can lead to Sexual Misconduct and related misbehavior; and
- Interrupting an incident of Sexual Misconduct if it is safe to do so.

If you or someone you know has experienced Sexual Misconduct, you are not alone. Anyone can be a victim of Sexual Misconduct.

- 24 people per minute are victims of rape, physical violence, or stalking by an intimate partner in the U.S. (12 million women and men in one year).<sup>2</sup>
- 1 in 4 women and 1 in 7 men have experienced severe physical violence by an intimate partner.<sup>2</sup>
- 3 in 10 women and more than 1 in 4 men in the U.S. have experienced rape, physical violence, and/or stalking by an intimate partner at some point in their lifetime.<sup>2</sup>
- In 78% of assaults, the perpetrator is someone that the victim knows (relative, partner, or acquaintance/friend).<sup>3</sup>
- 80% of female rape victims are under the age of 25.<sup>3</sup>

### **What to Do**

A. If you have been assaulted:

- i. Exit the situation and seek safety. If needed, call the police to assist by dialing Campus Safety at 803-786-3333.
- ii. Seek prompt medical attention, preferably at Prisma Richland Hospital or the closest hospital to you if you are outside of the Columbia area. It is essential that survivors of sexual assault receive medical treatment and support as soon as possible. The sooner a sexual assault is reported, the easier it is to collect valuable evidence, regardless of desire to use the evidence to pursue any type of legal or judicial action. There will be no charge for the evidence collection process. The survivor will be met by a confidential advocate.
- iii. Evidence collection is most effective within 72 hours. To facilitate evidence collection, the survivor:
  1. Should not bathe or douch.
  2. Should not urinate.

3. Should not drink any liquids.
4. If oral contact has occurred, the victim should not smoke, eat, or brush teeth.
5. The survivor should not change clothes. If clothes have been changed, soiled clothes should be placed in a paper bag (plastic destroys crucial evidence), separating items to prevent contamination.

B. If you have been harassed:

- i. Exit the situation and seek safety. If needed, call the police to assist by dialing the Columbia College Police Department (CCPD) at 803-786-3333.
- ii. If you are able, clearly explain to the person causing the harassment that you are uncomfortable with his or her behavior and request that the conduct cease immediately.

### **To Whom this Policy Applies**

This policy applies to students who are registered or enrolled for credit – or non-credit – bearing coursework (“Students”); Columbia College employees, consisting of full-time and part-time faculty, and College staff (“Employees”); the Board of Trustees; and contractors, vendors, visitors, guests or other third parties within Columbia College’s control (“Third Parties”). This policy pertains to acts of Prohibited Conduct committed by or against Students, Employees, the Board of Trustees and Third Parties.

### **Applicable Procedures Under this Policy**

The procedures referenced below provide for prompt and equitable response to reports of Prohibited Conduct. The procedures designate specific timeframes for major stages of the process and provide for thorough and impartial investigations that afford all parties notice and an opportunity to present witnesses and evidence and to view the information that will be used in determining whether a policy violation has occurred. Columbia College applies the Preponderance of the Evidence standard when determining whether this policy has been violated. “Preponderance of the Evidence” means that it is more likely than not that a policy violation occurred. Complainant means the individual who is reporting they were a victim of Prohibited Conduct. Respondent means the individual who allegedly committed the Prohibited Conduct.

A Student or Employee determined by Columbia College to have committed an act of Prohibited Conduct is subject to disciplinary action, up to and including separation from the College. Trustees determined to have committed an act of Prohibited Conduct are subject to removal from the Board of Trustees. Third Parties who commit Prohibited Conduct may have their relationship with the College terminated and/or their privilege of being on college premises withdrawn.

A. Where the Respondent is a Student, Employee, or Trustee:

The Procedures for reports of Prohibited Conduct committed by Students, Employees or Trustees follow this document in both the Student and Employee Handbooks.

- B. Procedures for Reports of Prohibited Conduct Committed by Third Parties:  
Columbia College's ability to take appropriate corrective action against a Third Party will be determined by the nature of the relationship of the Third Party to the College. The Title IX Coordinator will determine the appropriate manner of resolution consistent with the College's commitment to a prompt and equitable process consistent with federal law, federal guidance, and this policy.

### **Prevention Education, Training, and Notification**

The core of Columbia College's response to Sexual Misconduct is through proactive education and training, with emphasis on prevention. Our response is designed to collect and disseminate information about Sexual Misconduct, promote open discussion, encourage reporting, and provide information and training about prevention to faculty, staff, and students. The College will:

1. Provide prevention programs on topics related to Sexual Misconduct.
2. Provide information to all students regarding our Sexual Misconduct Policy and reporting requirements twice a year.
3. Train all College employees on Sexual Misconduct and reporting.
4. Train student staff, such as resident assistants, orientation leaders, and student success leaders in their role as responsible employees of the College regarding Sexual Misconduct.
5. Discuss the topic of Sexual Misconduct and the College's expectations for an environment free of Sexual Misconduct during first year fall orientation; and
6. Distribute Sexual Misconduct awareness materials and flyers with information about where to go for help in several high-traffic areas twice a semester.

### **Prohibited Conduct**

Columbia College prohibits all forms of Sexual Misconduct, including but not limited to, Sexual and Gender-Based Harassment, Sexual Assault, Stalking and Relationship Violence, whether perpetrated by a stranger or acquaintance, whether occurring on or off campus, and whether directed against a member of the Columbia College community or someone outside the Columbia College community. Such conduct by a Columbia College Student, Employee, Trustee or Third Party is a violation of Columbia College policy, and in certain cases, may also be a criminal violation.

Columbia College does not limit its ability to respond to inappropriate sexual conduct and forms of Sexual Misconduct that may not be specifically described in this policy or that does not constitute criminal conduct. None of the definitions below may be read to inhibit Columbia College's ability to address any incident or conduct that it deems to constitute Sexual Misconduct or that creates a discriminatory environment.

## Definitions

1. **Sexual Misconduct** is a broad term that encompasses a range of behaviors including all forms of sexual harassment, including sexual assault, as well as other forms of misconduct or violence of a sexual nature, including, without limitation, relationship violence, stalking, and sexual exploitation. Sexual Misconduct can occur between individuals who know each other, have an established relationship, have previously engaged in consensual sexual activity, or between individuals who do not know each other. Sexual Misconduct can be committed by persons of any gender identity, and it can occur between people of the same or different sex.
2. **Sexual and Gender-based Harassment** is unwanted or offensive sexual behavior that has the purpose or effect of creating a hostile or stressful living, learning, or working environment, or whenever toleration of such conduct or rejection of it is the basis for a personnel or academic decision affecting an individual. Examples of behavior that may constitute sexual harassment include, but are not limited to, sexual advances, any form of retaliation or threat of retaliation against an individual who rejects such advances, sexual epithets, jokes or comments, comments or inquiries about an individual's body or sexual experiences, unwelcome leering, whistling, brushing against the body, sexual gestures, or displaying sexually suggestive images.

Sexual harassment includes any conduct or incident that is sufficiently serious that it is likely to limit or deny a student's ability to participate in or benefit from Columbia College's educational programs, which may include a single incident of sexual assault or other serious Sexual Misconduct.

3. **Sexual Assault** is any sexual penetration or sexual contact with another individual without consent.
4. **Consent** is defined as words or actions that clearly indicate voluntary agreement to engage in sexual activity. Consent is always freely informed and actively given. Silence or lack of resistance does not imply consent. Consent must be ongoing, and it may be withdrawn at any time. Consent for one sexual act does not imply consent for any subsequent sexual activity. Consent may never be obtained through use of coercion, intimidation, force, or threats.

Consent cannot be obtained from an individual who is incapable of giving consent because the person:

1. Has a mental, intellectual, or physical disability; or
  2. Is under the legal age to give consent (In South Carolina the legal age of statutory consent is 16. However, individuals as young as 14 years old are able to consent to have sex with a partner who is 18 years old or younger.);  
or
  3. Is asleep, “blacked out,” unconscious, or physically helpless; or
  4. Is incapacitated, including through the consumption of alcohol or drugs.
- 5. Incapacitation** is the inability to make informed, rational judgments and decisions. If alcohol or drugs are involved, incapacitation may be measured by evaluating how the substance affects a person’s decision-making capacity, awareness, and ability to make informed judgments. The impact of alcohol and drugs varies from person to person; however, warning signs of incapacitation include slurred speech, unsteady gait, impaired coordination, inability to perform personal tasks such as undressing, inability to maintain eye contact, vomiting, and emotional volatility.
- 6. Coercion** is to force a person to act based on fear of harm to self or others. Means of coercion may include, but are not limited to, pressure, threats, emotional intimidation, or the use of physical force.
- 7. Sexual Contact** includes intentional contact with the intimate parts of another person, causing another person to touch one’s intimate parts, or disrobing or exposure of another person without permission. Intimate parts may include the breasts, genitals, buttocks, groin, mouth, or any other part of the body that is touched in a sexual manner. Sexual contact also includes attempted sexual intercourse.
- 8. Sexual Penetration** includes vaginal or anal penetration, however slight, with a body part (e.g., penis, tongue, finger, hand, etc.) or object, or oral penetration involving mouth to genital contact.
- 9. Sexual Exploitation** means taking sexual advantage of another person and includes, without limitation: indecent exposure; causing or attempting to cause the incapacitation of another person in order to gain a sexual advantage over him or her; causing the prostitution of another person; recording, photographing, or transmitting images of private sexual activity and/or the intimate parts of another person without consent; observing or allowing third parties to observe private

sexual acts or otherwise violating a person's sexual privacy without consent; and knowingly or recklessly exposing another person to a significant risk of sexually transmitted infection.

**10. Relationship Violence** (also known as *Dating Violence* or *Domestic Violence*) is a pattern of abusive behavior that is used by an intimate partner to gain or maintain power and control over the other partner. Relationship violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. Relationship violence is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim, where the existence of such a relationship is determined based on the following factors: the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

**11. Stalking** is engaging in a course of behavior directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress. Stalking involves a course of conduct which is defined as two or more acts including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. Examples include but are not limited to following a person; appearing at a person's home, class, or work; making frequent phone calls, emails, text messages, etc.; continuing to contact a person after receiving requests not to; leaving written messages, objects, or unwanted gifts; vandalizing a person's property; and threatening, intimidating or intrusive behavior.

### **Retaliation**

It is a violation of this policy to engage in any form of retaliation or intimidation in connection with complaints of sexual harassment, misconduct, or assault. Any Student, Employee, Trustee or Third Party engaging in any such retaliation or intimidation may be found responsible for a conduct violation. Any such acts of retaliation or intimidation should be promptly reported to the Title IX Coordinator. This policy and related processes may also apply to any allegation that a Student, Employee, Trustee or Third Party has attempted to prevent an individual from reporting Prohibited Conduct or has engaged in any acts of intimidation or reprisal with respect to any reported Prohibited Conduct.

### **Confidential Resources & Follow-up and Recovery Services for Survivors**

Follow-up support and counseling is of significant benefit to individuals impacted by Sexual Misconduct. The counseling may begin at any time after an incident, from hours to years. On

campus and off campus counseling and other services are available to a Complainant or Respondent, whether or not a crime is reported or prosecuted.

### **Confidential On-Campus Resources**

If you would like to talk with someone at the College confidentially about an assault or harassment, please see our Director of Counseling Services. **Information shared to other College employees outside of that individual has to be reported to the College's Title IX Coordinator(s).**

### **Amnesty Consideration**

If a survivor of a crime is suspected of having used alcohol and/or drugs, amnesty will be extended to the survivor and any person(s) seeking assistance on behalf of the survivor. Amnesty means a person will be exempt from sanctioning through the Student Conduct process regarding the College's alcohol and drug policies. Prosecution of individuals under federal, state, or local laws would be at the discretion of appropriate officials of the applicable jurisdiction.

## **Criminal Proceedings**

If the incident occurred on campus and you wish to pursue criminal charges, please contact **The Columbia College Police Department at 803-786-3333**. If the incident occurred off-campus, The Department of Campus Safety can assist you with contacting the proper authorities.

Because Prohibited Conduct may constitute both a violation of college policy and criminal activity, the College encourages students to report alleged Sexual Misconduct promptly to local law enforcement agencies. Criminal investigations may be useful in gathering relevant evidence, particularly forensic evidence. For purposes of this policy, criminal investigations or reports are not determinative of whether Sexual Misconduct has occurred. In other words, conduct may constitute Sexual Misconduct under this policy even if law enforcement agencies lack sufficient evidence of a crime and therefore decline to prosecute.

The filing of a complaint of Prohibited Conduct under this policy is independent of any criminal investigation or proceeding, and (except that the College's investigation may be delayed temporarily while the criminal investigators are gathering evidence) the College will not wait for the conclusion of any criminal investigation or proceedings to commence its own investigation and take interim measures to protect the Complainant and the College community, if necessary. Disclosure of Sexual Misconduct by or about a Complainant who is under the age of 18 must be reported to the Richland County Department of Social Services at (803) 714-7300.

## **Obligation to Provide Truthful Information**

All Columbia College community members are expected to provide truthful information in any report or proceeding under this policy. Submitting or providing false or misleading information in bad faith or with a view to personal gain or intentional harm to another in connection with an incident of Prohibited Conduct is prohibited and subject to disciplinary sanctions under the Columbia College Honor Code, the disciplinary action under the applicable Employee disciplinary policy, or the Board of Trustees bylaws. This provision does not apply to reports made or information provided in good faith, even if the facts alleged in the report are not later substantiated.

## **Appeals**

1. A decision or sanction may be appealed by the Student Respondent or Student Complainant within five business days of the date of the Outcome Letter. Such appeals shall be in writing and shall be delivered to the Title IX Coordinator, who will forward the appeal to the President for consideration. The President may refer the appeal to the Board of Trustees of the College, as set forth in the Columbia College Bylaws.
2. An appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:
  - a. A procedural defect that would impact the outcome;
  - b. Newly acquired evidence that was not previously available; and
  - c. The sanction imposed was unduly harsh.

## **FERPA and Title IX**

According to the Department of Education's 2001 Guidance, FERPA (The Family Educational Rights and Privacy Act) permits a school to disclose to the Complainant student information about the sanction imposed upon the Respondent(s) who were found to have engaged in Prohibited Conduct when the sanction relates to the Complainant. This includes an order that the Respondent stay away from the Complainant or that the Respondent is prohibited from attending school for a period or transferred to other classes or another residence hall.

## **Policy Addressing Alcoholic Beverages and Illegal Drugs**

The possession, sale, or the furnishing of alcohol on the campus of Columbia College is governed by the College's Alcohol Policy and the laws of South Carolina. Laws regarding the possession, sale, consumption or furnishing of alcohol is controlled by the South Law Enforcement Division. However, the enforcement of alcohol laws on-campus is the primary responsibility of The Department of Campus Safety. Columbia College has been designated a "Dry Campus." The consumption or possession of alcohol is prohibited. Violators are subject to the College's disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone less than 21 years of age in a public place or a place open to the public is illegal. The possession, sale, manufacture, or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by The Columbia College Department of Campus Safety.

## **Crime Statistics**

An institution must keep the most recent three years of crime statistics that occurred: on campus, in institution residential facilities, in non-campus buildings, or on public property. The report must also indicate if any of the reported incidents, or any other crime involving bodily injury, was a "hate crime." The following offenses are required to be included in the institution's annual security report as well as sent to the U.S. Department of Education annually:

- Criminal Homicide: Murder and non-negligent manslaughter, manslaughter by negligence

- Robbery
- Aggravated assault
- Burglary
- Motor Vehicle Theft
- Arson

## **Crime Log**

A daily crime log is kept at The Columbia College Police Department and is available to the public during normal business hours (Monday-Friday, 8:30am-5:00pm). However, portions of the log that is older than 60 days will be available within two business days of a request. A paper copy of this report is also available during business hours. Please contact the Director of Campus Safety at (803)786-3343 for more information.

## **Timely Warnings and Emergency Notifications**

The Columbia College Police Department will send an emergency notification to the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

We will issue a timely warning for any Clery Act crime that occurs in our area that is:

- Reported to campus security authorities or local police agencies; and
- Is considered by the institution to represent a serious or continuing threat to students, faculty, staff, or visitors of Columbia College.

We will notify Columbia College students, faculty, and staff by utilizing e-mail and text messaging (for those who have provided their cell phone number). In addition, we may broadcast a campus wide audible alert, when appropriate. Considering the safety of the community, our department will determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. After the initial notification, follow-up information may be disseminated to the community via the messaging system or by email, as needed.

Columbia College maintains a subscription to a text and email messaging service called RAVE alert system that enables/allows the notification system and our department to send text and email messages for emergency alerts to students, faculty, and staff of Columbia College. The emergency messaging service requires users to opt-in (or out) to the service for text. All faculty, staff, and students that have a campus email are automatically entered to receive email messages. Our department conducts a Mass Notification System test/exercise twice a year (February and October).

### **SAFE (Secure Alert Fight Escape)/Shelter-in-Place Procedures: What it Means to "Shelter-in-Place"**

If an incident occurs and the buildings or areas around you become unstable or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors because leaving the area may expose you to that danger. Thus, to "shelter-in-place" means to make a shelter of the building that you are in and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

#### **Basic SAFE/ "Shelter-in-Place" Guidance**

If an incident occurs and the building, you are in is not damaged stay inside-seeking an interior room-until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, College ID card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators, unless otherwise instructed). Once you have evacuated, seek shelter at the nearest campus building quickly. If police or fire department personnel are on the scene, follow their directions.

#### **How You Will Know to SAFE/ "Shelter-in-Place"**

A shelter-in-place notification may come from several sources, including Campus Safety, Residence Life staff members, other Columbia College employees, or other authorities utilizing the Columbia College's Emergency Mass Notification System via email, text, or voice call.

## **How to SAFE/ “Shelter-in-Place”**

No matter where you are, the basic steps of SAFE/shelter-in-place will generally remain the same. Should the need ever arise; follow these steps, unless instructed otherwise by emergency personnel:

- 1) If you are inside, stay where you are. Collect any emergency shelter-in-place supplies (battery operated radio, flashlight, water, food) and a telephone to be used in case of emergency. If you are outdoors, proceed into the closest building quickly or follow instructions from emergency personnel.
- 2) Shut and lock all windows (tightly seal) and close exterior doors. If necessary, barricade the entrance door to the room with desks, chairs, podiums, etc. to prevent an intruder from entering the room.
- 3) Gather small objects to engage a terrorist intruder if they breach the barricades (laptops, books, water bottles, stapler machines, pens, cell phones, desk lamps, trash cans, etc.)
- 4) Turn off air conditioners, heaters, and fans.
- 5) Close vents to ventilation systems as you are able. If necessary, College staff will turn off ventilation as quickly as possible.
- 6) Make a list of the people with you and ask someone (faculty, staff, students, etc.) to call the list to The Columbia College Police Department so they know where you are sheltering.
- 7) Turn on a radio or TV and listen for further instructions.
- 8) Make yourself comfortable.
- 9) Please remain in this place until notified by campus police.

## **Campus Fire Safety Annual Compliance**

The Higher Education Opportunity Act (Public Law 110-315) became law in August 2008. It requires all United States academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire-related on-campus statistics. The following public disclosure report details all information required by this law.

### **General Statement of Columbia College Student Residence Housing**

At Columbia College, all residence halls (Knox, Kneece, McNair, Hudson, Wesley and Mirse) are covered with integrated fire sprinkler systems and an audible fire alarm.

### **Fire Log**

A fire log is kept at The Department of Campus Safety and is available to the public during normal business hours (Monday-Friday, 8:30 am-5:00 pm). However, any portion of the log that is older than 60 days will be available within two business days of a request. A paper copy of this report is also available during business hours. Please contact Director Windell Harris at (803)786-3343 for more information.

### **Fire Safety Inspections**

Sodexo Facilities Management Department and the Columbia City Fire Department annually inspect the fire systems in our residence halls and make upgrades, repairs, or revisions when problems are identified.

### **Residence Hall Open Flame/Smoking Policy/Electrical Policy**

Residence Life policy prohibits candles, smoking or open flames in residence halls. There are limits on the number of electrical appliances allowed in a specific room. These policies can also be found in the Student Handbook and are discussed with students when they move into the residence halls.

### **Residence Hall Fire Drills**

The Columbia College Police Department conducts fire drills that are held twice a semester for each residence hall. Fire drills are mandatory supervised evacuations of a building for a fire. The fire drill is scheduled with the Division of Student Affairs, the Department of Residence Life and Housing, and the fire alarm monitoring company. The supervised fire drill is scheduled within the first 4 weeks of the beginning of the semester. Evacuation route locations are listed in the Columbia College Student Handbook, and the students are advised throughout the semester by the residence hall advisors assigned to each residence hall. A fire drill report is done at the end of each drill. Residents are educated by their residence hall advisors on the following information:

In case of a fire, please sound the nearest fire alarm and evacuate the building. Evacuation procedures are as follows:

1. In case of fire, sound the nearest alarm. If conditions permit, call 9-911 then call Campus Safety at 803-786-3333 and report the exact location of the fire.
2. Become familiar with the evacuation routes that are posted in campus buildings. In the residence halls, these are found on the back of the student room doors.
3. Leave the building by the nearest exit. Proceed at least 100 feet from the building. Students in McNair, Knox, and Kneece Halls should leave the building by the nearest exit and report to the area across the street between Godbold Center and the tennis courts. Students in Mirse, Wesley, and Hudson Halls should leave by the nearest exit and report to the mall area across the street near the Arial-Peele building. Do not use the elevators.
4. Remain outside the building until Campus Safety gives explicit instructions to re-enter.
5. Students exiting a residence hall should: a. Wear shoes. b. Take a towel to cover their faces in case of smoke. c. Leave lights on in their rooms. d. Close the door to their rooms.
6. Failure to evacuate the premises after an alarm has sounded or notice to evacuate has been given will result in judicial action, including fines and the possibility of expulsion from the residence halls.
7. Tampering with fire alarms or fire-safety equipment, reporting false alarms, or making bomb threats will result in judicial action, including the possibility of permanent expulsion from the College without refund of tuition and fees. Persons found guilty of such actions will be held liable for all expenses incurred because of their actions.
8. College officials reserve the right to evacuate any building or facility for emergency reasons.
